*-NOTE-*

*Due to some late arrivals for the General assembly the final count was representatives from 130 MNAs and 38 WTF Council Members.*

## **2. President's Welcome Speech**

Before the Chairman delivered his opening speech there was a suggestion from a MNA representative to change the order of point No. 4 and 5 on the Agenda.

The news were met by applause from the General Assembly.

The Chairman meant that taekwondo is evolving in the right direction. The international governance of taekwondo is more transparent, fair and professional than ever before. This is our accomplishment and our pride and we should congratulate each other for these accomplishments, the Chairman said.

The Chairman expressed his belief that with continued progress taekwondo would not only become a firmly established Olympic sport, but also a model international sport, setting the standards by which other international sports and sport organizations are measured.

the biggest one ever held in taekwondo with athletes and officials from over 140 countries. The competitions would be covered by over 30 TV channels broadcasting the event to all the five continents. The video replay system and electronic body protectors would be used to ensure fairness in judging, he emphasized.

“The election today will determine the tone of the taekwondo movement for the next four years, and may very well determine the future of taekwondo”, the Chairman said and added that he regardless of the outcome of the election hoped that everyone would keep on working together to drive the advancement of taekwondo forward.

The Chairman expressed his concern for the untrue accusations and fictional fabrications that had been circulated by both known and unknown senders during the election campaigning and the damaging effect such shortsighted acts would have on the taekwondo community and the image of taekwondo in the international sports community. The Chairman pointed out that it was our common responsibilities as leaders of the taekwondo family that reflects what we need to be and what taekwondo would be.

Chairman Choue hoped that we would soon restore our integrity and self-respect to be able to continue with our proud tasks which have begun to show fruitful results. The Chairman ended his speech by stating; “together as one, nothing will be impossible.”

Before the Chairman moved on to the next point on the agenda he gave the floor to Mr. Musa Cicek, representative from Germany.

Mr. Cicek agreed with Secretary General Yang’s previous statement that the Agenda for the General Assembly is to be decided by the WTF Council. However, he believed that this is something also to be decided by the General Assembly and therefore asked for point 4 and 5 to change place on the Agenda.

Mr. Abou M. Moubarack Lo, representative from Senegal, pointed out that in accordance with article 16.4 E of the WTF Rules & Regulations it is clear that the WTF Council approves of the Agenda for the General Assembly and that it in article 8 of the WTF Rules & Regulations, regarding the General Assembly, is no mention of approval of Agenda and that it was clear that no changes would be made on the agenda.

Secretary General Yang asked Mr. Jason Pfeffer for a clarification on the WTF Rules & Regulations regarding this matter.

Mr. Pfeffer replied that Mr. Lo had read the Rules & Regulations correctly.

The Chairman moved on to the next item on the agenda.

Chairman Choue explained that as prescribed in article 11.9 of the WTF Rules & Regulations an Ad-hoc Election Committee were formed, chaired by WTF Council member, Mr. Ivan Dibos, and confirmed the final list of qualified candidates for the election.

The Chairman went on to in accordance with article 8 of the WTF Rules & Regulations appoint Mr. David Askinas, president of USA Taekwondo Inc, as Acting Chairman to preside over the election.

The Acting Chairman, Mr. Askinas, explained to the General Assembly that both candidates for the office of WTF President will leave the room during the pendency election. The Acting Chairman then proceeded to call upon Mr. Dibos to explain the election procedures to the General Assembly.

Before Mr. Dibos started his report he introduced Ms. Hanna Burns whom had been invited as an observer from the IOC.

Mr. Dibos started his report from the Election Committee.

## Appendix 1

WTF Rules & Regulations or if the documents were received after the deadline of July 13, 2009, 24:00 hours, WTF Seoul Headquarters, Korean local time, the candidate's application would be declined. A CV was not a required document for candidature according to WTF Rules & Regulations.

For the office of WTF President four (4) candidates were approved by the Election Committee, two (2) candidates has since then withdrawn, accordingly two (2) candidates remain.

For the office of WTF Vice President five (5) candidates were approved by the Election Committee.

For the office of WTF Council member thirty one (31) candidates were approved by the Election Committee.

For the office of WTF Auditor three (3) candidates were approved by the Election Committee.

Mr. Dibos went on to explain the distribution of fourteen (14) WTF Council members in the five continental unions. In accordance with article 16.2 of the WTF Rules & Regulations a maximum of 14 WTF Council members will be elected, each continental union shall consist of at least one (1) and a maximum of five (5) council members. The five candidates who receive the most votes of their respective continental union shall be elected to the WTF Council, the remaining nine (9) positions shall be filled in accordance with the total number of votes received up to five WTF Council members per continent, this until fourteen (14) Council members have been elected. Mr. Dibos pointed out that the voting representatives could vote for up to 14 candidates for the office of WTF Council. In case more than 14 candidates were marked on the ballot, it would be invalid.

Mr. Dibos moved on and explained the function of the observers. Five (5) observers representing the continents of Africa, Asia, Europe, Oceania and Pan America will be appointed by the Acting Chairman on the recommendation of the delegates to supervise the process of the election including counting of ballots. The observers will be chosen among the non-voting representatives and those who do not run for election.

Mr. Dibos informed that ballots were to be distributed to MNA voting representatives one by one by calling the name of each country.

Mr. Dibos went on to inform of the speeches by candidates for election. Candidates for the office of WTF President are allowed to give a five (5) minute speech. Candidates for the office of WTF Vice President will have three (3) minutes. With this Mr. Dibos finished his presentation of the election procedures.

The Acting Chairman thanked Mr. Dibos and asked the General Assembly if they had any questions regarding the Election Procedure.

Mr. Adrian Tranter, representative from Great Britain asked for the total number of votes to be cast in the election for each office.

## Appendix 1

Mr. Dibos replied that this would be announced shortly.

Mr. Harish Kumar, representative from India, raised a question regarding the voting rights of the WTF Council members. Mr. Kumar meant that since there was now an Acting Chairman appointed and elections for WTF officials were to be held the voting rights of the WTF Council should cease to exist. Mr. Kumar went on to say that if the WTF Council were to vote this would be unethical and unfair. Mr. Kumar also meant that he believed the General Assembly to be for the MNAs without the WTF Council.

The Acting Chairman referred to Mr. Jason Pfeffer of the Election Committee to reply to the statement by Mr. Kumar.

Mr. Pfeffer clarified that according to article 8.6 of the Rules & Regulations the General Assembly shall be organized with the members of the WTF Council and representatives of the MNAs. In addition, in accordance with article 11.3 of the WTF Rules & Regulations, all members of the WTF Council begin their term of office at the end of the General Assembly which elected them. Their terms of office cease at the end of the General Assembly held during the year which they expire.

The Acting Chairman points out that this is a matter of changing the WTF Rules & Regulations and not an issue for this election. Mr. Kumar was allowed to make another statement.

Mr. Kumar stated that the voting right of the WTF Council members needs to be stated in the WTF Rules & Regulations. In the case that there is a tradition that is being followed that they have voting rights it is unlawful and unethical and can not be carried on. Mr. Kumar went on to state that the WTF Council consists of nominated members (by the WTF President) and thus should not be allowed to vote just like appointed members in a government are not allowed to vote.

The Acting Chairman intervened and explained that Mr. Kumar's comments were out of line since they have to do with rule change instead of the election. The Acting Chairman referred to Mr. Dibos for a reply to Mr. Kumar.

Mr. Dibos stated that rules governing a country have nothing to do with the rules of an International Sports organization such as the WTF.

Mr. Pfeffer pointed out that according to the WTF Rules & Regulations the General Assembly is defined as the WTF Council and the representatives of the MNAs. Mr. Pfeffer adds that the WTF Rules & Regulations state the qualifications to have voting right not that the WTF Council should not have voting rights.

The Acting Chairman gave to floor to Mr. Adrian Tranter, representative from Great Britain.

Mr. Tranter requested that officials running for re-election have to step down from their position before the election and added that there in article 16 of the WTF Rules & Regulations is no mention of the voting rights of WTF Council members.

## Appendix 1

Mr. Pfeffer replied that the precedence have to be taken into account that since the formation of WTF members of the WTF have been allowed to vote and also article 16.4 G of the Rules & Regulations which states that the WTF Council shall decide upon “other matters under its jurisdiction or responsibility, as prescribed in the WTF Rules & Regulations.” Mr. Pfeffer went on to point out the responsibilities of the General Assembly listed in article 8 and emphasized that the General Assembly consists of the members of the WTF Council and representatives of the MNAs.

The Acting Chairman closed the debate on this subject since this matter referred more to rule changes than the election.

Mr. Gerrit Eissink inserted that this was an issue that had been raised before by the European Taekwondo Union and that they do not agree with the WTF Council members having voting rights since this is not clearly stated in the WTF Rules & Regulations.

Mr. Pfeffer replied by asking how Mr. Eissink who had been exercising his voting right as a member of the WTF Council for years suddenly found it to be against the rules now. Mr. Pfeffer once again pointed out that the General Assembly consists of the members of the WTF Council and representatives of the MNAs. Mr. Pfeffer recommended this change to be put forward at a later time under article 20 of the WTF Rules & Regulations.

The Acting Chairman moved forward since all voices on the matter had been heard and appointed the observers for the election. The observers are all non-voting representatives from MNAs to ensure that the ballot counting is done correctly and that there are no improprieties.

The observers were:

Mr. Musa Kaibo (Nigeria)  
Mr. Cao Tao (China)  
Mr. John Kotsifas (Australia)  
Mr. Gary Hall (Great Britain)  
Mr. Kevin Padilla (USA)

The Acting Chairman asked the General Assembly if there were any objections to the appointed observers. There were no objections.

Mr. Dibos pointed out that two of the observers had been appointed by the candidates for the office of WTF President, one by Dr. Nat Indrapana and one by Dr. Chungwon Choue.

The Acting Chairman thoroughly explained the voting procedure and strongly pointed out that no disturbance during the speeches of the candidates would be tolerated.

Mr. Lee went on to point out that the actual spending figures of the WTF were lower than budgeted and commended the WTF for maintaining their expenses within budget.

Mr. Gerry Joyce representing Ireland inquired why the loss on foreign currency transaction in the financial report was high.

Secretary General Yang replied that this was due to severe fluctuations between the US\$ and the Korean Won.

Mr. Joyce suggested that WTF could involve someone in foreign transactions who deals in currency to get better currency transaction fees.

Secretary General Yang replied that WTF has a liability towards its employees to pay salaries in Korean Won and thus WTF has no other choice than to convert US\$ into Korean Won to cover the expenses in Korea.
