### GUIDELINES ON 2022 WORLD TAEKWONDO DEVELOPMENT PROGRAM

Dear Sirs/Mesdames,

We are pleased to inform you that World Taekwondo will resume the Development Program in 2022 thanks to our improved financial status after the Tokyo 2020 Olympic Games.

The 2022 Development Program will be focused on capacity building of our stakeholders through programs such as equipment support, participation support, athlete scholarship, refugee solidarity program and development programs between World Taekwondo and each Continental Union.

Please read through the attached guidelines carefully to ensure that you are aware of the terms for eligibility and timeline of applications. The guidelines and relevant application forms can be found in the following link:
