Re: 2018 Gymnasiade in Marrakech, Morocco

Dearest Colleagues,

I wish to extend my warmest greetings from the World Taekwondo.

Gymnasiade is a multi-sport games organized by International School Sport Federation (ISF), taking place every two years with participation of junior athletes from all over the world. Taekwondo became an official sport of 2018 Gymnasiade for the first time in its history.

This edition, which will be held in Marrakech, Morocco on 3-8 May this year, will serve as a perfect opportunity for the junior taekwondo athletes to display their skills to the full and exchange friendship among the participants.

Relevant information on event, age limit and registration is attached to this document. Please note that you should contact the ISF Secretariat at isf@isfsports.org if you do not have the national school sport federation in your country. Please check the status of your country at the website of ISF at <http://www.isfsports.org/countries>. Please note that the deadline for registration is 28 February which is only a month away.

The host country, Morocco will support participation in the 2018 Gymnasiade by financing participation of 7 athletes per African country (max 30 countries in total) in all sports of the Gymnasiade program, so please check if you will be able to have benefited from this support.

Once again, I would like to highly encourage all member national associations to send your junior athletes to this event for sustainable taekwondo program at the Gymnasiade.

Sincerely Yours,

Chungwon Choue
President
