

2018 WT RTP & TP Athletes list and Selection Criteria

WT shall have the responsibility to ensure that every MNA conducts all national level testing on its athletes in strict compliance with WT Anti-Doping Rules and WADA Code.

WT should select a certain number of international athletes for Registered Testing Pool (RTP) & Testing Pool (TP) and let them provide online filing of their whereabouts information on ADAMS of WADA website that is going to be used by ADOs such as WADA, IF and NADOs to locate the athletes for purpose of out-of-competition doping tests.
