### SPORTS RESUME

*He started pursuing sports in 1992 in the taekwondo club St-Kwan in Split.*

*Two years later he switched to the taekwondo club Neryo and early in 2000 he decided to found the taekwondo club Marjan and started his career as a trainer. He had a clear vision and his goal was to create a large club and a long term project - 12 years later he developed the club from having a few members and training three times a week in a school utility room to what it is today. Continuous planning saw the club grow to 11 sports halls, more than 1.000 members completing 50 training sessions a day, with more than 20 employed trainers, physiotherapists, nutritionists...*

*As a club trainer from 2000 to 2012 and female senior national team selector since 2011, he won numerous medals in national and international competitions.*

*It is definitely worth highlighting the careers of Ana and Lucija Zaninović, Split twins who spent their entire career with Toni Tomas. The club is considered to be the best in Europe when it comes to cadets, having won as many as 51 world, European and Olympic medals over the past ten years.
