D. Vision for WT in next 4-years

To further promote Taekwondo globally as a sport and Martial Art, promoting Taekwondo to the greater communities around the world thus attracting new participants to Taekwondo. This would be

done in partnership with other relevant bodies, international companies & Airlines as partners & sponsors.

Endeavor to get Taekwondo as an official sport in the Commonwealth Games, the last frontier.
Ongoing review and improvements of WT Taekwondo competitions, rules, to increase popularity to spectators and TV viewers.

Endeavor to improve social media coverage – live streaming and using TikTok, Instagram reels, Snapchat to increase public consumption of taekwondo related information

With the number of MNA's increasing it is important that the WT continues to listen to and support MNA's more wherever possible. Plus working with the Continental Unions to ensure that Taekwondo is more supported & developed in the less resourced Nations.

Bringing new ideas & novel opportunities to WT.
